

Introduction to Leadership Skills for Troops

Friday, February 23 to Sunday, February 25, 2018

Fort Steuben Scout Reservation

The purpose of the ILST course is to teach Scouts with leadership positions about their new roles and how to most effectively reach success in that role. It is intended to help Boy Scouts in leadership positions within their troop understand their responsibilities and to equip them with organizational and leadership skills to fulfill those responsibilities. ILST is the first course in the series of leadership training offered to Boy Scouts and is a replacement for Troop Leadership Training. Completion of ILST is a prerequisite for Boy Scouts to participate in the more advanced leadership courses National Youth Leadership Training (NYLT) and the National Advanced Youth Leadership Experience (NAYLE). It is also required to participate in a Kodiak Challenge Trek.

The senior patrol leader is the top leader of the troop. He is responsible for the troop's overall operation. With guidance from the Scoutmaster, he takes charge of troop meetings, of the patrol leaders' council, and of all troop activities, and he does everything he can to help each patrol be successful.
